

B SQUARE HYDRO TECH

Hard Water to Smart Water Solutions

B SQUARE SCALE REMOVER

Our advanced electro scale remover prevents limescale buildup using chemical-free technology. Improves plumbing life, reduces maintenance cost and protects appliances.

GST No: 33AUCPY9804C1ZL

Zero Chemicals

No Salt Required

Energy Efficient

Low Maintenance

Protects Appliances

Eco Friendly

HARD WATER VS SOFT WATER

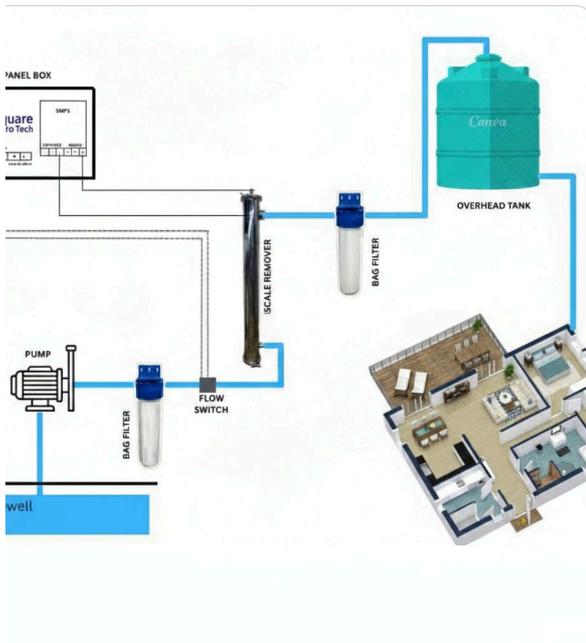

Complete Water Treatment Solutions

8 KEY ADVANTAGES

- ✓ Prevents Scale Formation
- ✓ Extends Plumbing Life
- ✓ Reduces Maintenance Cost
- ✓ Saves Electricity
- ✓ No Chemicals Used
- ✓ No Salt Refill Required
- ✓ Improves Water Flow
- ✓ Long Lasting Performance

SYSTEM INSTALLATION DIAGRAM

Smart Setup: Installed between borewell pump and overhead tank for full building protection.

- Borewell Pump Intake
- Bag Filter Sediment Removal
- Flow Switch Activation
- Scale Treatment Process

APPLICATIONS

Boilers • Cooling Towers • Solar Heaters • Hotels • Apartments • Agriculture • Industrial
